1952 Trivia: In the opening credit sequence it shows a chart showing the different teams of the movie. Story The movie begins with Amar and Prem discussing a three-day reunion event with each other and all their classmates. Amar leaves in a taxi cab, and Prem finishes telling the story of the plane crash which he crashed in with Amar, in which he went through a hole in the plane. In the flashback sequence, he goes through the story of the plane crash and that they are in a cell. They go over the plan to escape through the hole in the plane and finish the story. They watch the TV in the cell and hear a news report that they went missing in a plane crash. Prem and Amar go to their reunion party and are having a good time until it gets interrupted by the police. Amar gets arrested, and they have to go to the police station. Prem and Amar are taken to the interrogation room by a policeman. The interrogation takes place and a TV is shown, which is on how the police are going to make their first move.

---

Amar is put into a cell to rest for the night, and Prem gets sent to another room. Prem wakes up in the morning and finds Amar in the same cell. They start planning to escape through the hole in the cell and start their plan. They find an empty bottle of water in the cell and they start to think of how to use the bottle as an escape device. Prem's phone goes off, and he takes it out to look at the message. He finds the message was from Amar, and he writes back and tells him to sleep and that the plan will be executed tonight. Amar then puts his note on the back of the water bottle and starts his plan to escape from the room. Prem then puts on a shirt of Amar and starts to plan the escape. Amar checks Prem's hand, which is still tingling. Prem tells Amar to sleep, but he says that it's not going to happen. Prem brings the water bottle and says that they should drink it. Amar opens the bottle, and they start to plan their escape. Amar realizes that he needs to find a way to get the handcuffs off. They start to think of the best way to escape from the handcuffs and 82157476af
