About This Game

Hyper Flight is a sci-fi flight simulator that rewards good piloting.

It utilizes realistic physics to provide a satisfying and challenging flight experience.

There are no arcade style driver aids or guiding elements that take control of your vehicle. You must fly properly and competently in order to succeed.

The game takes place on planetary bodies within our own solar system.

Learn to fly like a pro by completing the training challenges and race in fast-paced interplanetary tournament events.

Good luck and don't crash.
